

## Announcement

To all students who are applying for 2020 September admission at SKEMA Business School:

Due to the current coronavirus epidemic, and after careful consideration, the application requirements and admissions processes for certain programmes have been adjusted for applicants whose contact information and address are in mainland China. The details are as follows:

### 1. BBA

Applicants can apply for the EasySpeaking online test. The EasySpeaking test scores can be used as an alternative to the English test scores normally required for applications. According to the current evaluation method, EasySpeaking online exam scores will count towards 10% of the total score.

### 2. ESDHEM

The original requirements for French test scores are not mandatory for the submission of an application, nor are they criteria for granting an interview. The application review procedure for a conditional admission can be carried out first. The deadline to submit the French test score is 24:00 on June 30, 2020. However, qualified test scores are still necessary for the pre-visa evaluation of Campus France.

The application and conditional admission will cease automatically if the required French test scores are not submitted before this date.
