

Aida JEBALI

Professor

Academy: Digitalization

Research center: SKEMA Centre for Analytics and Management Science

Campus: PARIS

Email: aida.jebali@skema.edu

Research interests

Operations management, Operations research, Supply chain management, Maritime logistics, Management of health services

Teaching interests

Operations management, Operations research, Supply chain strategy and planning

Education

2023	Habilitation à Diriger des Recherches in Industrial Engineering, Université Grenoble Alpes, France
2004	PhD in Industrial Engineering, Grenoble INP, France
2000	Master of Science in Industrial Engineering, Grenoble INP, France
1999	National Diploma of Engineer with a Major in Industrial Engineering, Ecole Nationale d'Ingénieurs de Tunis, Tunisia

Experience

Full-time academic positions

Since 2024	Professor of Operations and Supply Chain Management, Digitalization academy, SKEMA Business School, France
2019 - 2023	Associate Professor of Operations and Supply Chain Management, Digitalization academy, SKEMA Business School, France
2018 - 2019	Associate Professor, Department of Systems Engineering (ISYS), ESIEE Paris, France
2016 - 2018	Assistant Professor, Department of Industrial Engineering and Engineering Management, College of Engineering, University of Sharjah, United Arab Emirates
2014 - 2016	Research Scientist, Masdar Institute of Science and Technology, United Arab Emirates
2011 - 2013	Assistant Professor, Business Administration Department, College for Women, Prince Sultan University, Saudi Arabia
2005 - 2011	Assistant Professor, Industrial Engineering Department, Ecole Nationale d'Ingénieurs de Tunis, Tunisia

Research grants, Awards and Honors

Awards and Honors

2009	High Level Scientific Stay, French Ministry of Foreign Affairs, France
2007	High Level Scientific Stay, French Ministry of Foreign Affairs, France
2000	PhD Scholarship Award of the French Ministry of Foreign Affairs, French Ministry of Foreign Affairs, France

Publications

Peer-reviewed journal articles

Other research activities

Senior or associate editor

Since 2023 IMA Journal of Management Mathematics

Reviewer for:

Computers & Industrial Engineering, RAIRO - Operations Research, International Journal of Production Economics, International Journal of Production Research, Computers & Industrial Engineering, Transportation Research - Part E: Logistics and Transportation Review, Annals of Operations Research, Applied Mathematical Modelling, Computers & Industrial Engineering, Omega, International Journal of Production Economics, Socio-Economic Planning Sciences: The international Journal of Public Sector Decision-Making, Computers & Industrial Engineering, Applied Mathematical Modelling, Annals of Operations Research, Computers & Industrial Engineering, Omega

PhD supervision

Since 2022 G. PINTO, SKEMA Business School, PhD thesis, Thesis co-director

H. NOUIRA, PhD thesis, Thesis Reviewer

2022 L. WANG, PhD thesis, Thesis jury member

2018 R. BOUJEMAA, Ecole Nationale d'Ingénieurs de Tunis, PhD thesis, Thesis co-director

2017 N. KENAN, PhD thesis, Thesis co-director

2013 I. SAFRA, PhD thesis, Thesis co-director

2009 H. TLAHIG, PhD thesis, Thesis co-director
