

Davide LA TORRE
Professor

Academy: Digitalization

Research center: SKEMA Centre for Analytics and Management Science

Campus: SOPHIA

Email: davide.latorre@skema.edu

Research interests

Artificial Intelligence, Applied Mathematics, Mathematical and Statistical Modeling, Engineering Mathematics, Operations Research, Mathematical Economics, Mathematical Medicine, Optimisation and Control

Teaching interests

Applied Mathematics, Calculus, Computer Science, Engineering Mathematics, Mathematical Analysis, Mathematical Imaging, Mathematical Modeling, Operations Research

Education

2023	Certification in the function of University Professor (Full Professor), Economic Theory (13 A1), Italy
2023	Certification in the function of University Professor (Associate Professor), Operations Research (01 A6), Italy
2022	Certification in the function of University-Professor (Full Professor) in Applied Mathematics (CNRS 26), France
2022	Certification in the function of University-Professor (Full Professor), Economics (CNRS 5), France
2022	Certification in the function of University-Professor (Full Professor), Computer science (CNRS 27), France
2021	HDR in Applied Mathematics, Université Côte d'Azur, France
2020	Certification in the function of University Professor (Associate Professor), Mathematical Analysis (01 A3), Italy
2018	Certification in the function of University Professor (Full Professor), Public Economics (13 A3), Italy
2018	Certification in the function of University Professor (Full Professor), Political Economy (13 A2), Italy
2012	Certification in the function of University Professor (Full Professor), Mathematical Methods for Economics and Finance (13 D4), Italy
2002	Ph.D. in Computational Mathematics and Operations Research, University of Milan, Italy
1997	Master in Applied and Industrial Mathematics, University of Milan, Italy
1993	Diploma (60/60) in Computer Science, ITIS Computer Science School, Italy

2022	Certificate in Artificial Intelligence in Health Care, Massachusetts Institute of Technology (MIT), United States of America
2021	Certificate in Quantum Computing Fundamentals, Massachusetts Institute of Technology (MIT), United States of America
2021	Certificate in Machine Learning, Modeling, and Simulation: Engineering Problem-Solving in the Age of AI, Massachusetts Institute of Technology (MIT), United States of America
2021	Certificate in Machine Learning, Modeling, and Simulation Principles, Massachusetts Institute of Technology (MIT), United States of America
2021	Certificate in Applying Machine Learning to Engineering and Science, Massachusetts Institute of Technology (MIT), United States of America
2021	Certificate in Quantum Algorithms for Cybersecurity, Chemistry, and Optimization, Massachusetts Institute of Technology (MIT), United States of America
2017	Certificate in Big Data and Social Analytics, Massachusetts Institute of Technology (MIT), United States of America
2017	Certificate in Project Management, University of Adelaide, Australia
2017	Certificate in Supply Chain Analytics, Massachusetts Institute of Technology (MIT), United States of America

Experience

Full-time academic positions

Since 2019	Full Professor (HDR with CNRS Professeur des Universités qualifications) of Applied Mathematics and Artificial Intelligence, SKEMA Business School, France
Since 2000	University Professor of Artificial Intelligence and Decision Sciences in Health and Medicine, University of Milan, Italy
2018 - 2019	Full Professor, Dubai Business School, United Arab Emirates
2017 - 2018	Full Professor and Department Chair, Nazarbayev University, Kazakhstan
2013 - 2016	Associate Professor and Associate Department Chair (cross-appointed), Department of Applied Mathematics and Sciences, and Department of Industrial and System Engineering, Khalifa University, United Arab Emirates

Other academic affiliations and appointments

Since 2021	Radiomics Board Member, European Institute of Oncology, Italy
Since 2020	Visiting Professor and Member of the Scientific Committee of the Artificial Intelligence Institute, Abu Dhabi School of Management, United Arab Emirates
Since 2019	Member of the Doctoral School in Decision Sciences, Insubria University, Italy
Since 2019	Track Coordinator - Finance Specialization - Two Year MSc, SKEMA Business School, France
Since 2015	Adjunct Professor, University of Waterloo, Canada
2022 - 2023	Associate Dean, SKEMA Business School, France
2020 - 2023	Director of the Artificial Intelligence Institute, SKEMA Business School, France
2007 - 2023	Adjunct Professor, Department of Mathematics and Statistics, University of Guelph, Canada
2019 - 2022	Track Coordinator - L3/M1 PGE in Finance and Quants, SKEMA Business School, France
2020 - 2021	Track Coordinator - L3/M1 PGE in Artificial Intelligence for Managers, SKEMA Business School, France
2019	Visiting Professor, Universidad de Granada, Spain
2017 - 2018	Department Chair, Nazarbayev University, Kazakhstan
2012	Visiting Professor, Australian National University, Australia
2008	Visiting Professor, Laurentian University, Canada

Other academic affiliations and appointments

2008	Visiting Professor, University of York, Great Britain
2007	Visiting Professor, University of York, Great Britain
2007	Visiting Professor, Australian National University, Australia
2003 - 2005	Program Head - Master in International Economics and Finance, University of Milan, Italy
2003 - 2005	Program Head - Master in Data Analysis and Marketing Intelligence, University of Milan, Italy
2001 - 2003	Program Head - Master in Business Intelligence and Data Analysis, University of Milan, Italy

Research grants, Awards and Honors

Awards and Honors

2023	Best contribution to hybridization in AI, SKEMA Business School, France
2022	Most productive scholar award, SKEMA Business School, France
2021	Outstanding research award, SKEMA Business School, France
2015	Outstanding research award, Khalifa University, United Arab Emirates
2015	Outstanding research award, University of Milan, Italy

Research Grants

2013	Khalifa University KUIRF Level 2 (co-principal investigator), Khalifa University, United Arab Emirates
------	--

Publications

Peer-reviewed journal articles
