

Ali OZKES

Associate Professor

Academy: Digitalization

Research center: Knowledge, Technology and Organization

Campus: Paris

Email: ali.ozkes@skema.edu

Research interests

Behavioral game theory, Experimental economics, Social choice theory, Text mining, AI ethics

Teaching interests

AI ethics, Experimental economics, Social choice theory, Text mining

Education

2024	Habilitation à Diriger des Recherches, Economics, Université Paris 1 Panthéon-Sorbonne, France
2014	PhD, Economics, Ecole Polytechnique, France
2010	Master of Science, Economics, Istanbul Bilgi University, Turkey
2008	Bachelor of Science, Mathematics and Economics, University of London, Great Britain

Experience

Full-time academic positions

Since 2022	Associate Professor, SKEMA Business School, France
2021 - 2022	Associate Professor, De Vinci Research Center, École de Management Léonard de Vinci, France
2019 - 2021	Assistant Professor, Department of Strategy and Innovation, Vienna University of Economics and Business, Austria

Research grants, Awards and Honors

Research Grants

2025	Balancing Equality and Proportionality: New Solutions for Fair Division Problems, Campus France, France
2022	Ethics of Public Robots and Artificial Intelligence, Agence National de la Recherche (ANR), France
2020	Member / Formation of an International Research Center for Experimental Financial Markets, Japan Society for the Promotion of Science, Japan
2019	Morality, Social Choice, and Artificial Intelligence, Centre national de la recherche scientifique (CNRS), France
