

Xavier BRUSSET

Professeur

Académie : Digitalisation

Centre de recherche : SKEMA Centre for Analytics and Management Science

Campus : Paris

Email : xavier.brusset@skema.edu

Intérêts de recherche

Information Systems applied to logistics and supply chain management, organization and management of operations for large and small firms, Problem solving of managerial issues affecting the efficiency and profitability of operations of both inbound and outbound logistics and as well as information processes, Supply chain management, distribution, blockchain, risque météorologique

Domaines d'enseignement

Supply chain management

Formation

2016	HDR en Sciences de Gestion, Université Paris Nanterre, France
2010	Doctorat en sciences de gestion, Université catholique de Louvain, Belgique
2003	DEA, Université catholique de Louvain, Belgique

Expérience Professionnelle

Positions académiques principales

Depuis 2016	Professor in Supply Chain, SKEMA Business School, France
2015 - 2016	Professor in Purchasing and Supply Chain, Toulouse Business School, France
2009 - 2015	Associate Professor in Purchasing and Supply Chain & In charge of the Master 2 in Achats et Supply Chain Management, ESSCA School of Management, France

Autres affiliations académiques

Depuis 2017	Director of the PRISM Research Centre, SKEMA Business School, France
2017 - 2019	Program Director - Master of Science in Supply Chain Management and Purchasing, SKEMA Business School, France

Autres expériences professionnelles

2007 - 2009	Project Manager, TransLogisTIC, Belgique
2000 - 2002	Co-Founder & Marketing/Sales Manager, WebLogistix, Argentine
1997 - 2000	Sales Representative, PERAX, AREAL, Argentine
1995 - 1997	Money Market fund Manager, Banque Française du Commerce Extérieur, France
1994 - 1995	Fixed Income strategist, Société Générale, France
1992 - 1994	Futures broker, Paine Webber France, France
1987 - 1992	Interest rate futures broker, X. Dupont F. Denant Stockmarket broker, France
